

# AT3G29185 — TransGenic predicts an AtRTD3-supported isoform absent from TAIR10

novel intron-chain combination each junction occurs in TAIR10; this chain does not

TAIR10 reference      TransGenic (reproduced)      AtRTD3 (supports highlighted feature)  
 TransGenic (novel isoform)      AtRTD3 (exact chain match)      AtRTD3 (other isoforms)
